¹ These statistics are provided by the Arbitrator for the columns through the end of 2005. The Arbitrator and the Facilitator worked to reconcile their record-keeping protocols for Track B claims as of the end of 2006, and the Facilitator provided the statistics for the column through the end of 2006.

² These statistics are as of January 10, 2002.

³ These statistics are as of January 1, 2003.

⁴ These statistics are as of January 1, 2004.

⁵ These statistics are as of January 1, 2005.

⁶ These statistics are as of January 1, 2006.

⁷ These statistics are as of January 1, 2007.

⁸ This number is lower than the prior year's number because the Arbitrator learned that reports that some cases had settled were in error.
