Having considered Defendants' Partial Motion [15] to Dismiss, the opposition thereto, the reply, and the record herein, the Court finds defendants' Motion to be well-taken. Defendants' Partial Motion to Dismiss, accordingly, is GRANTED for the reasons stated in an accompanying memorandum opinion, and the claims raised in Count I of plaintiff's Complaint are hereby dismissed for lack of subject-matter jurisdiction.

Signed by Royce C. Lamberth, United States District Judge, October 19, 2005.
