

# **Appendix A to Memorandum Opinion of October 6, 2005 in Civil Action No. 04-206**

| Item                            | Iseman     | Moynihan   | Eig         |
|---------------------------------|------------|------------|-------------|
| Proposed Bill                   | \$9,875.00 | \$6,987.50 | \$13,965.00 |
| (Total \$30,827.50)             |            |            |             |
| Non-prevailing motions          | \$437.50   | \$562.00   | \$700.00    |
|                                 | \$1,062.50 | \$825.00   | \$875.00    |
|                                 | \$650.00   | \$325.00   | \$140.00    |
|                                 | \$275.00   | \$500.00   |             |
|                                 | \$125.00   | \$125.00   |             |
|                                 | \$350.00   | \$200.00   |             |
|                                 | \$225.00   | \$225.00   |             |
|                                 |            | \$100.00   |             |
|                                 |            | \$200.00   |             |
|                                 |            | \$325.00   |             |
|                                 |            | \$75.00    |             |
|                                 |            | \$50.00    |             |
|                                 |            | \$100.00   |             |
|                                 |            | \$100.00   |             |
|                                 |            | \$75.00    |             |
|                                 |            | \$625.00   |             |
|                                 |            | \$75.00    |             |
|                                 |            | \$725.00   |             |
| Total on non-prevailing motions | \$3,125.00 | \$5,212.00 | \$1,715.00  |
| Fee for Calculating Fee         | \$312.50   |            | \$280.00    |
|                                 | \$150.00   |            | \$525.00    |
|                                 | \$375.00   |            |             |
|                                 | \$375.00   |            |             |
|                                 | \$187.50   |            |             |
| Total For Fee Calculation       | \$1,400.00 |            | \$805.00    |
| IEP Meetings                    |            |            | \$175.00    |
|                                 |            |            | \$875.00    |
|                                 |            |            | \$875.00    |
|                                 |            |            | \$210.00    |
|                                 |            |            | \$700.00    |
|                                 |            |            | \$175.00    |
|                                 |            |            | \$350.00    |
|                                 |            |            | \$210.00    |
|                                 |            |            | \$175.00    |
|                                 |            |            | \$1,050.00  |
| Total for IEP Meetings          |            |            | \$4,795.00  |

|  |             |            |            |
|--|-------------|------------|------------|
| Fees less subtotals                        | \$5,350.00  | \$1,775.50 | \$6,650.00 |
| Reduced Hourly Rate                        | \$4,815.00  | \$1,597.95 | \$6,650.00 |
| Subtotal (Sum after Rate Reduction)        | \$13,062.95 |            |            |
| Plush \$800 of the \$2205 for fees on fees | \$800.00    |            |            |
| Less one 1/3 for conferences (\$1170)      | -\$390.00   |            |            |
| Fee Award                                  | \$13,472.95 |            |            |
| Costs                                      | \$986.48    |            |            |
| Total Award                                | \$14,459.43 |            |            |
