MEMORANDUM

This Freedom of Information Act case is before the Court on Defendant's Motion for Summary Judgment. By Order of July 8, 2005, plaintiff was advised about his obligation to respond to the motion by August 12, 2005. The Court further advised plaintiff that his failure to respond could result in dismissal of the case. Plaintiff has neither responded nor sought additional time to respond. The Court therefore will grant defendant's motion and dismiss the case. A separate Order accompanies this Memorandum.
