MEMORANDUM

By Order of December 29, 2006, petitioner was advised to respond by February 2, 2007, to respondents' opposition to his petition for a writ of *habeas corpus* or risk dismissal of the case. Petitioner has neither responded nor sought additional time to do so. Upon review of the United States' response to the petition, the Court agrees that no grounds exist for issuing the writ. It therefore will deny the petition for the reasons the United States has asserted and will dismiss the case. A separate Order accompanies this Memorandum.
