

UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF COLUMBIA

**Clerk, U.S. District and  
Bankruptcy Courts**

Felicia Lynum,

Plaintiff,

y.

U.S. Government *et al.*,

**Defendants.**

Civil Action No.

08 1035

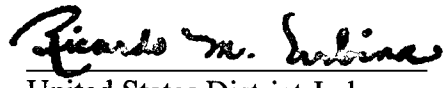

## MEMORANDUM OPINION

This matter is before the Court on review of plaintiff's *pro se* complaint and application to proceed *in forma pauperis*. The Court will grant the application and will dismiss the complaint as it is required to do if it determines that the action is frivolous. 28 U.S.C. § 1915(e)(2)(i).

Plaintiff, a resident of the District of Columbia, sues the United States for alleged government surveillance that has, among other misdeeds, stolen her identity, her “eggs . . . from [her] fallopian tube” and her property. Compl. at 1. Throughout the seven-page complaint, plaintiff claims that strangers have stalked, tortured and sexually abused her. Plaintiff also suggests that she has been implanted with a microchip that the government refuses to remove. *See* Compl. at 5. Plaintiff seeks \$80 billion in damages. *Id.* at 7.

Complaints that describe fantastic or delusional scenarios are subject to immediate dismissal. *See Neitzke v. Williams*, 490 U.S. 319, 328 (1989); *Best v. Kelly*, 39 F.3d 328, 330-31 (D.C. Cir. 1994). Moreover, a complaint may be dismissed as frivolous when it lacks “an arguable basis in law and fact,” *Brandon v. District of Columbia Bd. of Parole*, 734 F.2d 56, 59 (D.C. Cir. 1984), or is based on “fanciful factual allegation[s].” *Neitzke*, 490 U.S. at 325.

This complaint satisfies the foregoing conditions and therefore will be dismissed by separate  
Order issued contemporaneously.

  
United States District Judge
