Criminal No. 09-00038-001 (JDB/AK)

PROBATION
CONSENT TO MODIFY SUPERVISED RELEASE

The Defendant, between June 2010 and the date he appeared before the undersigned on December 16, 2010, accumulated nine (9) technical violations of his *PROBATION* supervised release and an arrest for Unauthorized Use of a Vehicle, which is currently pending in D.C. Superior Court. Prior to the violations, Mr. Kpakima was in compliance with the conditions of his *PROBATION* supervision and attending a training program. At the hearing before the undersigned, the Defendant conceded the technical violations. The Probation Officer recommended that the Defendant be sanctioned for the acknowledged technical violations to a six month placement in a Residential Re-Entry/Sanction Center and the subsistence costs waived. Both the Defendant and the United States, without objection, agreed that the recommendation of the Probation Office was an appropriate sanction and that Mr. Kpakima be permitted to self surrender. Accordingly it is recommended that the Defendant's conditions of release be modified as follows: That the Defendant be placed in a Residential Re-entry /Sanction Center for a period of six months and the subsistence costs be waived.
