Bankruptcy Courts**

Defendant.

Civil Action No.

09 1365

¹ In addition, the plaintiff submitted another three pro se complaints that same day, which will be disposed of independently.

defendants: (1) the University of North Carolina for allegedly building on plaintiff's land; (2) James N. Peters for "having his name on my building without my permission;" (3) the Kinston, North Carolina "Records of Deed Office" because they "said I needed the date and the year before I could purchase my deeds;" and (4) the Kinston Housing Authority for "taking control and renting and collecting from my Queen Court Apartments." It is evident from the both the nature of the allegations and the number of complaints filed by this pro se plaintiff, who lists his address as "Sixteen Hundred Pennsylvania Avenue, Washington, D.C.," that they are based on fantastic or delusional scenarios, which subjects them to immediate dismissal. *See Neitzke v. Williams*, 490 U.S. 319, 328 (1989).

A separate order of dismissal accompanies this memorandum opinion.
