MEMORANDUM OPINION

On December 28, 2012, the defendant filed a motion to dismiss the complaint. Because a ruling on the motion to dismiss potentially could dispose of this case, the Court advised the plaintiff in its January 4, 2013 Order of her obligation to file an opposition or other response to the motion, among other things. Further, that Order expressly warned the plaintiff that, if she failed to file her opposition by February 1, 2013, the Court would treat the motion as conceded. The plaintiff has neither filed an opposition nor requested additional time to do so. The Court will treat the defendant's motion as conceded and dismiss the case.

An Order accompanies this Memorandum Opinion.

Signed this 8th day of February, 2013.
