MEMORANDUM

This matter is before the Court on the defendant's motion to dismiss under Rule 12(b)(1) of the Federal Rules of Civil Procedure. By Order of February 19, 2014, the plaintiff, proceeding *pro se*, was advised about responding to the defendant's motion and the consequences if he did not respond by March 21, 2014. Specifically, the plaintiff was warned that his failure to respond by the deadline might result in summary dismissal of the case on what would be treated as a conceded motion. The plaintiff has neither responded to the defendant's motion nor sought additional time to do so. Hence, the Court will grant the defendant's motion to dismiss as conceded and will dismiss the case.¹
