Plaintiff,	)	
	)	
v.	)	Civil Action No. 18-842 (UNA)
	)	
Duquesne University <i>et al.</i> ,	)	
	)	
Defendants.	)	

MEMORANDUM OPINION

This matter is before the Court on its initial review of plaintiff's *pro se* complaint and application for leave to proceed *in forma pauperis*. The Court will grant the application and dismiss the complaint for lack of subject matter jurisdiction. *See* Fed. R. Civ. P. 12(h)(3) (requiring the court to dismiss an action "at any time" it determines that subject matter jurisdiction is wanting).

The subject matter jurisdiction of the federal district courts is limited and is set forth generally at 28 U.S.C. §§ 1331 and 1332. Under those statutes, federal jurisdiction is available when a "federal question" is presented or the parties are of diverse citizenship and the amount in controversy exceeds \$75,000. A federal question derives from "the Constitution, laws, or treaties of the United States." 28 U.S.C. § 1331. And "[f]or jurisdiction to exist under 28 U.S.C. § 1332, there must be complete diversity between the parties, which is to say that the plaintiff may not be a citizen of the same state as any defendant." *Bush v. Butler*, 521 F. Supp. 2d 63, 71 (D.D.C. 2007) (citing *Owen Equip. & Erection Co. v. Kroger*, 437 U.S. 365, 373-74 (1978)). A party seeking relief in the district court must at least plead facts that bring the suit within the court's jurisdiction. *See* Fed. R. Civ. P. 8(a).

Plaintiff is a resident of Pittsburgh, Pennsylvania, who has sued three defendants based in Pittsburgh, Pennsylvania. *See* Compl. Caption. Plaintiff purports to come within the Court's "federal question" jurisdiction, but the cryptically worded complaint does not invoke the Constitution, federal law or a treaty. Consequently, this case will be dismissed. A separate order accompanies this Memorandum Opinion.
