UNITED STATES DISTRICT COURT FOR THE DISTRICT OF COLUMBIA

	Courts for the District of Columbia
Civil Action No.	19-1335 (UNA)

MEMORANDUM OPINION

This matter is before the Court on plaintiff's application to proceed *in forma pauperis* and his *pro se* civil complaint. The application will be granted, and the complaint will be dismissed.

Rule 8(a) of the Federal Rules of Civil Procedure requires that a complaint contain a short and plain statement of the grounds upon which the Court's jurisdiction depends, a short and plain statement of the claim showing that the pleader is entitled to relief, and a demand for judgment for the relief the pleader seeks. Fed. R. Civ. P. 8(a). This complaint sets forth no actual legal claim. Rather, it reads as the plaintiff's commentary about decisions made by the United States Court of Appeals for the Ninth Circuit which he feels infringe upon the authority of the President of the United States to act. The Court, therefore, will dismiss the complaint without prejudice because it fails to comply with Rule 8(a).

An Order consistent with this Memorandum Opinion is issued separately.
